**Student Curriculum Feedback – Biotechnology**

Course Name	No. of responses	The course content was comprehensive and covered the key concepts of the subject area.	The course readings and materials provided sufficient information to understand the topics covered.	The course content was current and reflected recent developments in the field	The course content clearly aligned with the stated learning outcomes (COs).	The course will enhance my employability.	The course encouraged critical thinking and analysis of the course material.	The syllabus content relates to real world applications and industry practices	I feel confident in my ability to apply the knowledge and skills gained in this course to other situations.
Fundamentals of Biochemistry BSBT 101	20	4.2	4.4	4.3	4.05	3.7	3.75	4.35	4.15

### Student Curriculum Feedback – Biotechnology

Course Name	No. of responses	The course content was comprehensive and covered the key concepts of the subject area.	The course readings and materials provided sufficient information to understand the topics covered.	The course content was current and reflected recent developments in the field	The course content clearly aligned with the stated learning outcomes (COs).	The course will enhance my employability.	The course encouraged critical thinking and analysis of the course material.	The syllabus content relates to real world applications and industry practices	I feel confident in my ability to apply the knowledge and skills gained in this course to other situations.
BSBT 102 Bioinstrumentation	20	4.2	3.6	3.95	3.85	4.3	3.9	4.05	3.95

"CELEBRATING DREAMS"

### January- June Responses Analysis

- The course content was comprehensive and covered the key concepts of the subject area. (1-5)
- The course readings and materials provided sufficient information to understand the topics covered. (1-5)
- The course content was current and reflected recent developments in the field
- The course content clearly aligned with the stated learning outcomes (COs). (1-5)
- The course will enhance my employability. (1-5)
- The course encouraged critical thinking and analysis of the course material. (1-5)
- The syllabus content relates to real world applications and industry practices (1-5)
- I feel confident in my ability to apply the knowledge and skills gained in this course to other situations. (1-5)
- The course content was comprehensive and covered the key concepts of the subject area. (1-5)

**Student Curriculum Feedback – Food Technology July- December 2020**

	No. of responses	The course content was comprehensive and covered the key concepts of the subject area.	The course readings and materials provided sufficient information to understand the topics covered.	The course content was current and reflected recent developments in the field	The course content clearly aligned with the stated learning outcomes (COs).	The course will enhance my employability.	The course encouraged critical thinking and analysis of the course material.	The syllabus content relates to real world applications and industry practices	I feel confident in my ability to apply the knowledge and skills gained in this course to other situations.
