SPEED POST

Indian Council of Agricultural Research
(Agricultural Education Division)
Krishi Anusandhan Bhavan-II, Pusa
New Delhi - 110012

F.No.1/29/2018-EQR.Edn

Dated: 29th August, 2019

To

The Vice Chancellor,
School of Agriculture, ITM University,
Gwalior Campus, N.H.-75, Jhansi Road,
Gwalior - 474001, Madhya Pradesh

Sir,

Based on the LoI, IEA, Statement of Compliance and Self Study Report submitted by the University and subsequent report of Peer Review Team, the National Agricultural Education Accreditation Board of ICAR in its XXIV meeting held on 29th July, 2019, granted accreditation to the School of Agriculture, ITM University, Gwalior and its B.Sc. (Hons.) Agriculture programme for a period of five years i.e. from 29th July 2019 to 28th July 2024*. The School of Agriculture has scored overall a Score of 2.75.

The details of accredited programmes/colleges of the University along with remarks made by the Board are enclosed herewith as Annexure-I and Annexure-II respectively. The University is thus required to address the observations of the Board in a time bound manner. As per the Board decision, a Mid-term review will be conducted after 2.5 years.

Board further decided that student intake in the programme and strength of faculty/technical/supporting staff as listed in Self Study Reports and undertaking given by registrar during Peer Review, if any, must be maintained by the University/College/Programme throughout the accreditation period.

Yours faithfully,

(G. Venkateshwarlu)

Assistant Director General (EQR)

Green Ranking-2022

ITM University Gwalior recently made a significant mark in environmental sustainability by participating in the Green Ranking-2022, organized by Sustainable Institutions of India. The institution's commitment to eco-conscious practices and initiatives propelled it to secure a prestigious rank in the GOLD category. This achievement underscores ITM University's dedication to environmental stewardship and its proactive efforts in promoting sustainability within its campus and beyond.

Through innovative measures and robust environmental policies, ITM University has demonstrated its pledge towards reducing carbon footprint, conserving resources, and fostering a green culture. Whether through energy-efficient infrastructure, waste management strategies, or promoting eco-friendly practices among students and faculty, ITM University has emerged as a beacon of sustainability in the educational landscape.

Securing a rank in the GOLD category not only validates ITM University's endeavors but also serves as inspiration for other institutions to prioritize environmental sustainability in their operations. This recognition not only highlights the university's commitment to academic excellence but also its responsibility towards the planet and future generations. ITM University Gwalior's achievement in the Green Ranking-2022 stands as a testament to the power of collective action in building a more sustainable and resilient world.

Outcome Based Education Ranking 2022

Event: Outcome Based Education (OBE) Ranking 2022

Institution: ITM University, Gwalior

Ranking Organization: R World Institutional Ranking

Ranking Achievement: Gold Band with A Grade in Higher Educational Institution of Excellence

Introduction:

ITM University, Gwalior proudly participated in the Outcome Based Education (OBE) Ranking 2022 conducted by R World Institutional Ranking. The OBE ranking focuses on assessing educational institutions based on their effectiveness in achieving defined learning outcomes and excellence in higher education.

Ranking Details:

ITM University, Gwalior excelled in the OBE Ranking 2022, securing a prestigious position in the Gold Band with an A Grade. This recognition underscores the university's commitment to delivering quality education aligned with global standards and emphasizing outcomes that prepare students for successful careers and societal contributions.

Criteria and Assessment:

The OBE Ranking 2022 evaluated participating institutions on several key criteria:

Curriculum Design: Assessment of curriculum relevance, alignment with industry needs, and integration of outcomes-based approaches.

Teaching-Learning Process: Evaluation of teaching methodologies, student engagement strategies, and innovative practices in enhancing learning outcomes.

Assessment and Evaluation: Review of assessment methods used to measure student attainment of learning outcomes and feedback mechanisms for continuous improvement.

Industry Interface: Recognition of partnerships with industry, internships, and placement opportunities enhancing students' practical skills and employability.

Impact and Significance:

Achieving the Gold Band with A Grade signifies ITM University, Gwalior's dedication to fostering a holistic educational environment that nurtures academic excellence, critical thinking, and professional competencies among its students. This recognition also reflects the university's efforts in continuously enhancing its educational practices and infrastructure to meet evolving industry demands and global educational benchmarks.

Conclusion:

ITM University, Gwalior celebrates its success in the Outcome Based Education Ranking 2022 by securing a prominent position in the Gold Band with an A Grade. This achievement reinforces the university's commitment to providing transformative education and preparing students to excel in the future.

Report on Stakeholder Sentiment Survey 2022

Event: Stakeholder Sentiment Survey 2022

Institution: ITM University, Gwalior

Survey Conducted By: R World Institutional Ranking

Rating Achieved: 4-star (Gold Band) in India for delivering commitment to stakeholders

Introduction: ITM University, Gwalior actively participated in the Stakeholder Sentiment Survey 2022 conducted by R World Institutional Ranking. This survey aimed to gauge the satisfaction levels and perceptions of various stakeholders including students, faculty, alumni, and employers regarding the institution's performance and commitment.

Survey Details: ITM University, Gwalior received a distinguished rating of 4 stars, placing it in the prestigious Gold Band category in India. The rating was based on feedback and responses gathered from stakeholders who highlighted their experiences and perceptions regarding the university's commitment to academic excellence, student support services, quality of faculty, infrastructure, and overall educational environment.

Criteria and Assessment: The Stakeholder Sentiment Survey 2022 assessed ITM University, Gwalior on several key parameters:

- **Student Satisfaction:** Feedback on academic programs, teaching quality, learning resources, and extracurricular opportunities.
- **Faculty Feedback:** Ratings on faculty expertise, teaching effectiveness, mentorship, and support provided to students.
- **Alumni Perception:** Alumni views on how well the university prepared them for their careers, alumni engagement, and contribution to their professional growth.
- **Employer Engagement:** Employer satisfaction with the skills and competencies of ITM University graduates, industry relevance of curriculum, and employability of students.

Impact and Significance: Securing a 4-star rating (Gold Band) in the Stakeholder Sentiment Survey 2022 reflects ITM University, Gwalior's commitment to meeting the expectations and needs of its stakeholders. It underscores the university's success in creating a conducive learning environment that fosters academic growth, personal development, and prepares students for successful careers.
